

DEVELOP THE PYTHON SCRIPT

TEAM ID:PNT2022TMID08358

A screenshot of a Windows desktop environment. The primary focus is a 'Python 3.7.0 Shell' window. The window's title bar includes standard Windows controls and a menu bar with 'File', 'Edit', 'Shell', 'Debug', 'Options', 'Window', and 'Help'. The shell's output area displays the following text: 'Python 3.7.0 (v3.7.0:1bf9cc5093, Jun 27 2018, 04:59:51) [MSC v.1914 64 bit (AMD64)] on win32', followed by 'Type "copyright", "credits" or "license()" for more information.' The user has entered the command '>>> print("hello ibm")' and the shell has responded with 'hello ibm'. The prompt '>>>' is followed by a vertical cursor. The desktop background is light blue. On the right side, a vertical taskbar contains icons for the Start menu, File Explorer, Google Chrome, Microsoft Edge, and several instances of Google Chrome. At the bottom right, the system tray shows the date and time as '1:18 PM 02-Nov-22'.
